After the applicant is chosen, the high school that the applicant is attending will need to be called to see if there is an awards banquet for the presentation of scholarships. If so, the school will be advised of the winner and will be given a certificate to present. [In years past committee members have presented]. If there is no awards banquet, a letter, certificate, and check made payable to the college will be sent to the winner.

All monies will be forfeited if winner does not attend college in the fall. A decision will follow from the committee members.

The winner will be announced in the “Take Five” quarterly newsletter, local newspapers, and all social media platforms with student’s permission.
